

CATERING

Thank you for your interest in having your event catered by Cheddars! We look forward to working with you as we plan the menu for your event. Before we get started, there are just a few things we'll need from you.

- **Basic Information.** First, we'll need some information about your event. This will include contact information as well as the date, address, and estimated number of attendees. Please make sure the location for your event accepts third-party caterers.
- **Menu Choice.** When you have a good idea of what you would like to have served at your event, let us know. We can then give you an accurate estimate of the cost. We must receive a guaranteed number of guests 48 hours prior to your event. If we do not receive a guarantee, the estimated number will become the guaranteed number.
- **Payment Information.** We will ask for a 20% deposit once an estimate has been given. This is refundable provided the event is cancelled at least 48 hours prior to the scheduled date. It will be credited toward your final total. We accept Visa, Master Card, Discover, American Express, Diners Club, or cash. Other payment methods may be approved at the discretion of Cheddar's.

We will be prepared to serve 5% over the guaranteed number of guests, and Cheddar's will charge for the guaranteed number or actual guests served, whichever is greater.

Payment will be due at the time the event is served. All checks will be charged 6% sales tax and 18% gratuity.

We are committed to providing you with the highest quality of food and service. Please feel free to contact us at any time with questions or concerns. Again, thank you for giving us the opportunity to work with you!
